The Tomah Fire Department has 37 members on the roster. On January 4<sup>th</sup> we onboarded two new fireman, they are Justin Dettinger and Mike Linehan, these two already have their fire fighter certifications so we were able to activate them immediately, we are excited to have them on the department and will be a good fit. On January 11<sup>th</sup> we had an ice storm that hit Monroe County, we were dispatched to assist the Wisconsin State Patrol with closing the interstate, during this time unit 356 our water tender slide into a guard rail which caused some damage. A police report was filed, and we are working on getting the apparatus repaired. On January 18<sup>th</sup> we had a 2% Dues Audit, the audit went well and the following week we received a letter from the State of Wisconsin Department of Safety and Professional Services stating that we met substantial compliance with their program. I continue to be a part of the weekly ESB meeting to keep informed on the progress of the new building, see the full details on the Ambulance report. I am working on my annual report and should have it ready for the March city council meeting. We responded to 34 calls of service in January.

#### City of Tomah City Council Meeting – February 14th, 2023

Public Safety director's Report for: January

- 1. **STAFFING**: We are currently down one full-time staff member. We are in the process of filling that position. We have five part-time paramedics and six part-time EMT's. We continue to interview for part-time positions and will have several new employees joining our team in the next couple of weeks.
- 2. **BUILDING UPDATE**: The building project continues to move along. The inside is changing nearly every day. The carpenters are getting near the end of finishing the interior walls. The brick-and-mortar crews continue working on the interior walls and have pulled back from working on the outside due to the colder weather. The plumbers, HVAC and electricians continue to make good head way. The insulators are making good progress and are keeping ahead of the dry wall process, they should be mudding in the next couple weeks. They brought a large crane in on 1/31 and set the three (RTU's) roof top units in place. I am present in the building nearly every day, I continue to be present at the weekly meetings and continue to communicate with Keller. If you have an questions, please feel free to ask.
- 3. **VEHICLES**: All apparatus are in service and functioning in good working condition.
- 4. **OTHER:** The revalidation process for Medicare is moving along. We had to change the contact names on the account to Christi Anderson, Adam Robarge and myself along with filling out other required information. We have until March 31<sup>st</sup> to complete everything which will not be a problem.

#### 2% FIRE DUES PROGRAM AUDIT REPORT

2023-01-20

Timothy Adler, Fire Chief TOMAH VOL FIRE DEPT/FDID# FD41080 31 6 ARTHUR ST TOMAH, WI 54660

Dear CHIEF Adler,

#### AUDIT FINDINGS:

An audit of the TOMAH VOL FIRE DEPT was conducted on0111812023 to confirm compliance with the SPS 314 and State Statute 101,575(6), all inclusive. The audit generally consisted of reviewing inspection, prevention, publiced ucation and training records along with fire reports and other fire department statutory requirements for the calendar year of 2022.

Substantial compliance, as prescribed by chapter SPS 314 Administrative Code and for the purposes of s. 101.575 (4) (a) 1, and 2., Wis. Stats, means an ample amount of the required activity was performed through a concerted effort aimed at total compliance. A determination of substantial compliance is obtained through a common-sense approach to evaluating whether enough effort was made to comply with the applicable statute or code requirements, Substantial compliance is not a specific number or percent of compliance, A determination of substantial compliance or effort in the following year or in another area of the code automatically equals substantial compliance,

Based on my review, it is the observation of this auditor that the fire department is in substantial compliance with the requirements of the statutes and administrative rules for State of Wisconsin 20/ofie dues program. Thank you for your professionalism and courtesy extended during the audit. Keep up the good work you are providing the citizens of your community.

If you have any questions regarding this onsite audit, please feel free to call me at 608-225-6593.

Sincerely, April Hammond Cc:
